## 76 SUITES AND STATEROOMS

Gohagan & Company is proud to provide the most deluxe, **exclusively chartered** ships in educational travel—the ideal way to experience the unforgettable destinations in our **specially designed itineraries**. Chartered cruising provides the **optimum setting for affinity groups**; with no offering to the general public, there is control over the entire ship. Enjoy the luxury of intimate, designated spaces for your association's private engagements in addition to enlightening lecturers. The next exclusively chartered, deluxe cruise awaits your choosing.

The AMADEUS BRILLIANT features the comforts of a refined and traditional hotel, including **complimentary Wi-Fi** (conditions permitting). The stylish Staterooms and Suites are among the most spacious of any European river ship (161 to 237 square feet). Suites and select Staterooms feature a **French balcony**. Accommodations have two twin beds or one queen bed, a private bathroom with shower, individual climate control and sitting area. Suites have a minibar.

The restaurant offers scenic views through panoramic windows as well as continental cuisine featuring fresh, local ingredients. Daily meals include early-risers' coffee, buffet breakfast and lunch, afternoon tea, four-course **dinner with complimentary wine and beer**, and late-evening snack.

For your leisure time on board, the inviting and spacious public facilities include the Panorama Bar, Lido Bar, Amadeus Club with library and 24-hour coffee station, salon, boutique, massage room, fitness studio and ample open-air deck seating. The Sun Deck has a chessboard and shuffleboard. Complimentary bicycles are available for independent pursuits on shore (time permitting). An elevator serves all passenger decks except the Sun Deck. There is no doctor on board.

The English-speaking, international crew provides warm hospitality. The AMADEUS BRILLIANT meets the highest standards to minimize environmental pollution and provides environmentally sustainable river travel. The Amadeus fleet is committed to reducing water and energy consumption and increasing engine efficiency to reduce their environmental impact.
